The MOOC will allow ubiquitous learning and it will be developed and offered through the Moodle platform.

It will include:

- the teaching material of the I'M IN TALES **methodology**,
- theoretical **lectures** based on I'M IN TALES topics, i.e. multisensorial storytelling, tangible user interfaces for disability
- practical experiences made available through the **OERs** (the latter will be specifically adapted and integrated into the course).

MOOC modules and OERs for the teachers' training will be delivered in 4 Countries (*Italy, Cyprus, Belgium, Lithuania*) and 5 languages (also *English*)
